Sir,

I am forwarding herewith
Extract from the Proceedings of the
Local Fund Board of this
District dated 3rd January last,
on the subject of additional dis-
pensaries to be established, I have the
honor to state that Konavoot therein
named is a large village contain-
ing a population of 2568. I have
recommended the introduction
of the Municipal rules as the
villagers agreed in this behalf.

2. Archally is another named
village in the Belur Taluk consisting
a population of 872. This is far

from the Taluk Head Quarters
Dispensary and is in a corner
of the Taluk and the villages in
the vicinity now largely suffer
unhelped at times of necessities
by proper medical relief.

I therefore request you will
be pleased to recommend to
Government for sanctioning the
Establishment of Dispensaries
in the places at your early con-
venience.

selected as places where Dispensaries
are necessary in the District—
(namely in Archahly of Belur Taluk
